Dear Members,

### **Here is what David has been up to in June:**

- **Public Opinion** - David was in Glasgow on Wednesday 2nd to record this new BBC1 Scotland late-night show. The show is simply a guessing game...a TV version of Heat magazine. It takes on the tabloid press and the public's perception of "celebrity". It was taped 'live' with a studio audience.
- **Northern Sound and Vision Fair** - David was in Newcastle upon Tyne on the weekend of Saturday and Sunday the 5th and 6th where he met a great many fans to chat to, sign autographs and have his photo taken, etc. I was also in attendance and it was great to meet so many DSACers there including; Jane and Julia Delaney, Stan Blake, Freda Reeve, Margaret Irving, Jo Fox, Eunice Belshaw and Carolyn Downing. I apologise if I've missed anyone off!! (see photos on page 2 of this newsletter)
- **Jerry Springer, The Musical** - David commenced rehearsals on Monday 14th before his debut in the lead role in July. He raves about JS being 'the most electrifying theatrical experience he's ever been in'.... saying it's a very uplifting show and deals with the human condition and expresses things as feelings we can all relate to. Concluding 'if you don't come and enjoy it, you can go to hell-quite literally-as it'd be your loss'. We did ask if he would be interested in doing JS on Broadway and he said 'yeah, I think it'd be nice. And in San Francisco too....but saying that, I remember how I felt after 9 months of doing Comic Potential and knowing me, after 8 months in the West End, I will feel it's time to move on to other things'. Cherie Blair went to see the show (it was in the papers) and she went backstage to say hello and David said he told her 'to tell her old man to get out of Iraq!!' We also asked him if there was any PR stuff that we should look out for....he said he's done lots already 'I tend to say YES to everything but I never really know when things come out!!' He'll just go with the flow.

### **Other Information**

**British Citizenship** - David has mentioned that he's hoping to finalise his citizenship in the next 2 months, he's just waiting after 'one more stamp'. He explains he has no desire whatsoever to go back to the US because it has lost much of the values it once believed in. That he enjoys the sense of community here and that he feels more British now he's learned to say 'sorry' all the time!!

**In friendship**
